

Cruisin'

T.I.

Yo
Yea, I'm on the way
Yea, I had to pick up the new car
A'ight
Aye, I be there in a minute
Hey, you dressed?

She had on purple panties, blue bikinis yea yea
And we were cruisin' in my Lamborghini yea yea
She had on purple panties, blue bikinis yea yea
And we were cruisin' in my Lamborghini (cruising in my Lambo)

She had on purple panties, blue bikinis yea yea
And we were cruisin' in my Lamborghini yea yea
She had on purple panties, blue bikinis yea yea
And we were cruisin' in my Lamborghini (cruising in my Lambo)

Hoppin' up, shorty came at the house with
Her bra and panties, with a jacket that's a outfit
Her heels fly, they real high
She used to, she's still fly
My ride new, her shoes on
She love to say she wanna to take her top off
My car's on one, her toes too
R.Kelly on, bumpin' that old school
She so so super bad, I move so super-fast
Her feet up on the gas, I'm going super-fast
She so relaxed, my windows black
Her legs wide open, can they see her while she playin'

In her purple panties, blue bikinis yea yea
And we were cruisin' in my Lamborghini yea yea
She had on purple panties, blue bikinis yea yea
And we were cruisin' in my Lamborghini (cruising in my Lambo)

She had on purple panties, blue bikinis yea yea
And we were cruisin' in my Lamborghini yea yea
She had on purple panties, blue bikinis yea yea
And we were cruisin' in my Lamborghini (cruising in my Lambo)

My tank full, the night young
Her eyes sayin' she want some
She on one, the stars out
Wonder if she thinkin' we can do it on the car now
I know she wanna play, it's written all on her face
What's in them purple bottoms? Girl, I sure want a taste
Pulled up and opened the door
Whole brand new Aventador
We parked somewhere now she layin', freakin' and I'm kissin' er

On her purple panties, blue bikinis yea yea
And we were cruisin' in my Lamborghini yea yea
She had on purple panties, blue bikinis yea yea
And we were cruisin' in my Lamborghini (cruising in my Lambo)

She had on purple panties, blue bikinis yea yea
And we were cruisin' in my Lamborghini yea yea

She had on purple panties, blue bikinis yea yea
And we were cruisin' in my Lamborghini

Shorty look so good
She say she wanna do it in my ride
Look so good in my ride, she will do it in my ride
So good
She say she wanna do it in my ride
Look so good in my ride, she will do it in my ride
Shorty look so good

So sexy, I just let her get her ride on
Look so sexy in my ride, I just might buy one
So sexy, I just let her get her ride on
Look so sexy in my ride, I just might buy one

She had on purple panties, blue bikinis yea yea
And we were cruisin' in my Lamborghini yea yea
She had on purple panties, blue bikinis yea yea
And we were cruisin' in my Lamborghini (cruising in my Lambo)
