Now what you really know about them?  
(What it is) Yeen know about them  
(Them heavy chevys shortay)  
Yeen know about them (heavy chevy shortay)

Now how you tame a young baller  
That rides Surburbans, Capris  
Candy Impalas, Rasberry Monte Carlos  
That barks like a rottweiler  
Off the collar  
Addicted to hustlin  
And stackin mighty dollars  
O holla  
When you hear the Chevy beatin down the street  
Beatin so hard  
The chris is wastin on my mink seats  
To get a rim posted corner  
Call me 10 G's  
The same as the Chevy platinum emblem on my keys  
Wit the diamond against the trim  
A young ass nigga wit a Louis V rim  
A sporty young shorty wit the Gucci shades dim  
These hoes mistaken me for being they pimp  
They said baby couldn't see you pass them shiny rims  
I'ma cool little daddy  
Bitch i never been a simp  
And if you choose a hoe you need to hop on in  
And if you aint bitch you need to ride wit him  
Cuz i'm pimpin

Yeah, we ridin in them heavy Chevys, them heavy Chevys  
On them D's and them Vogues  
When we shinin on them hoes  
Yeah, we ridin in them heavy Chevys, them heavy Chevys  
Beatin hard in the park when we rollin wit the squad  
(2x)

Now if you heard from me  
You gon feel something hot to the third degree  
Coming down yo street in a black capris  
Wit a fine ass freak in the passengers seat  
Yall fake niggas don't know the half of me  
I spit pimp game automatically  
Don't be mad at me  
Cuz i'm finally coming up in the industry  
And the 44 singing on the triple D's  
Plug not the underground celebrities

Mac Bone my partna keepin the beat  
Heat it up like a cook out  
When the sun falls  
Yall niggas better look out  
Your rap careers over  
I put a hook down  
Like you better pallow  
Ride and swerve while my niggas follow  
Hoes wobblin and start slobbin  
Bobbin on the dick until they swallow

Speedometer, broken doors  
Smokin body, dented windows  
Tinted bended round the corner leanin  
In the steamin screamin demons  
Spillin liquor, yeah nigga  
Blowin tall off the wall  
Burning rubber leavin foul  
Muthafucka how you ride  
Choppin blades wit triple golds  
Stay away from camilton rolls  
Playa cause I'm riding old  
It aint no thang to take them vogues  
Jack it up, strip it down  
Had the freshest car in town  
Pimpin cuz I'm bout my crown

Yeah, we ridin in them heavy Chevys, them heavy Chevys  
On them D's and them Vogues

Beatin hard in the park when we rollin wit the squad  
(2x)

T.I.P and P.S is fresher than new S-S's  
Triple doors and vogues shinin like some treasure chests  
I got a fetish  
I aint gettin in it boy unless it's  
Got them little blue boxes off in the head restes

I bet it's wood in the dash  
Duel in the ass  
Get an Impala  
Holla watch me (skirrrrt)  
When I pass  
I'm burin rubber in your yard  
Diggin up ya grass  
Drag racin four fifty four  
Thats what make it fast

I hit the gas  
And I mash on it in a flash  
Throw it in the gutter  
Buy another if it crash  
That's petty cash

I parlay all day in a Cheverlay  
Pearsjay wit a face bright as heavens day  
I'm beatin fo' tens in the flo then  
Hit the store then for some more Hen (Hey Dub)  
Pull a hoe and four friends

Dubs still spinnin wit a gold grill in it  
White leather guts  
Wipe up wit ya spill in it  
Still trillin out here

Yeah, we ridin in them heavy Chevys, them heavy Chevys  
On them D's and them Vogues  
When we shinin on them hoes  
Yeah, we ridin in them heavy Chevys, them heavy Chevys  
Beatin hard in the park when we rollin wit the squad  
(2x)
