T.I.

Ay, Ay, Ay, Ay  
Damn shawty, look at you  
I'm saying man, is it just me  
Or do you have too much ass in them jeans?  
Come here

Ay, I been watching you awhile now  
And I just wanna find a way to make you smile now  
Why you blushing?  
Forget about them other guys now  
I know you ain't going try and tell me that you shy now  
I realize that your beauty could intimidate  
Them suckers you ain't got no business wit'em anyway  
Wit such a pretty face, big booty, little waist line  
I wanna grind from behind to the baseline  
Have a great time, pour yourself a shot girl  
Chase it with a lime, now you feeling like a hot girl  
I know you probably use to dealing with them wannabes  
But honestly I gotta say I'm who they wanna be  
I promise all I wanna see is you up under me  
And we can disappear whenever, when you wanna leave?  
I can guarantee the ride of your life  
Any fantasies on your mind we can try'em tonight

We're sittin here  
(I'm lookin at you like damn)  
We're sippin on Patr n, something's on my mind  
(You wanna leave wit me tonight?)  
It's been Killing me all night long and I wonder  
(Listen shawty let me tell you what I'm thinkin bout)  
Oh girl, I wonder  
(For real, shawty let me tell you what I'm thinkin bout)  
It's the end of the night  
I thinkin your might, wanna leave the bar  
Park the car, turn into porn star

Yes, I love to hear about your interest  
I gotta say your intellect got me impressed  
See your panties through your dress like a silhouette  
Patr n got me thinkin sex, is you feeling that?  
No disrespect though, a simple yes/no  
Hey let yourself let go, shawty let's go  
Pull up to the crib, get you through the threshold  
Kiss you from your pretty lips to your red toes  
Time tickin it's the end of the night  
And you can leave wit your friend if you like  
But I'm saying though  
We can ride out, back to my house  
I wanna see you satisfied inside out  
Once I'm in you ain't gonna want me to slide out  
You tell your girlfriends they gonna wanna try it out  
A little more of this will loosen you up  
What we can't do in the club, we can do in the truck

We're sittin here  
(I'm lookin at you like damn)  
We're sippin on Patr n, something's on my mind

(You wanna leave wit me tonight?)  
It's been Killing me all night long and I wonder

Hey would ya, stay?  
Could ya play wit it with your tongue just a little?  
You're such a sexy individual, physical and mental  
And if you sentimental  
Shouldn't the rules bend a little  
Let me start at the top, stop in the middle  
Use a popsicle make shiver, giggle when it tickle  
I can talk to you dirty if you like that  
I finish once, hit a blunt, start right back  
I know you told me you a good girl  
But shawty you a grown woman not a little girl  
You can blame it on the Patr n or the champagne  
But sometimes being bad can be a good thing, ya now

We're sittin here
