T.I.

I got a question fo you hatin ass niggaz out there,Ay  
Why you mad at me,Ay  
Oh lame ass nigga why you mad at me  
Sucka ass nigga why you mad at me

Remember late nights earn stripes servin straight white  
Talk shit slap box clear into the day light  
Might fuss may fight but stay tight  
Keep what the "J" need for the lighter hit the base pipe  
If the trap was the ocean or the sea  
You could consider me and them the killa whales and great whites  
Befo a nigga tried to click it make them think twice  
Cause they knew Cap would kill a nigga fo blink twice  
Day right I'm recitein my life  
Nigga I was there no matter what through sirens on a silent night  
Cold sundays slow mondays hot friday nights  
Tuesday thursdays servin whether or not they ride tonight  
On peaceful days hostful evenings even violent nights  
Chip on my sholder hold a grudge cause you can die tonight  
I swear you niggaz had no idea what my life was like  
Befo the bright lights and a half a mil just to grab the mic

Is it cause I came from the bottom to the top  
Why you mad at me  
Maybe cause I Spent a hundred on a drop  
Why you mad at me  
Is it cause I kept it pimpin and stayed down  
Why you mad at me  
Or is it cause I am the a town  
Why you mad at me  
Is cause you a lame and I'm a "G"  
Why you mad at me  
Is it cause I got love in the streets  
Why you mad at me  
Is cause you know yo time runnin out  
Why you mad at me  
Is it cause you know I'm king of the south

Niggaz mad cause I got it like this  
Gold on my wrist hoes on my dick, my dick  
But I could give a fuck about this industry  
I'm a be the same tip til the end of me  
Thats something you know automatically if you a friend of me  
Question that will think other wise now you offend me  
I came in this game not looking for a friend or enemy  
Found them both now that niggaz in to me  
Got little rap niggaz liking into me  
Major lables and police want to censor me  
Feds on my ass cause I'm in the streets  
Think I still slang listen to lame niggaz who lie to snitch on me  
It ain't my fault that you can't piture me  
Ridein in a phatom and I swear I never favthom  
All the fame that a nigga can gain from atlanta  
Now I'm just tryin to maintain for atlanta  
Befo niggaz would say in atlanta  
I was rhode park doug high stayed in atlanta  
Now true enough I sold yay in atlanta

But is that compared to contributions I made to atlanta

Is it cause I came from the bottom to the top  
Why you mad at me  
Maybe cause I Spent a hundred on a drop  
Why you mad at me  
Is it cause I kept it pimpin and stayed down  
Why you mad at me  
Or is it cause I am the a town  
Why you mad at me  
Is cause you a lame and I'm a "G"  
Why you mad at me  
Is it cause I got love in the streets  
Why you mad at me  
Is cause you know yo time runnin out  
Why you mad at me  
Is it cause you know I'm king of the south

A pick a reason any reason all excuses would do  
But man you lucky I ain't buckin like I used to do fool  
While you was throwin one's and two's  
I was liftin up tools and then  
Shoot at his shoes just to see if he move  
Or either bust at his head to check if he dead man  
Don't talk around cause I heard he the fed's man  
They offer him time and they knowin he scared and tell him  
Give me they names or you doin the stretch man  
Or wear a wire go record what he said  
And then you can tell his lawyer that his clients a dead man  
A rat I'm smellin blow I ain't sellin  
Where you got that impressin ain't no tellin  
Yes I'm a felon why was that in question  
What about all these records I'm sellin  
I'm bankhead born and bankhead bread  
And when a nigga die I'm gone be bankhead dead

Is it cause I came from the bottom to the top  
Why you mad at me  
Maybe cause I Spent a hundred on a drop  
Why you mad at me  
Is it cause I kept it pimpin and stayed down  
Why you mad at me  
Or is it cause I am the a town  
Why you mad at me  
Is cause you a lame and I'm a "G"  
Why you mad at me  
Is it cause I got love in the streets  
Why you mad at me  
Is cause you know yo time runnin out  
Why you mad at me  
Is it cause you know I'm king of the south
