Yeah Ya Know (Takers)

Damn, has it been that long? (haha) Say what happens since I been gone They got the game all wrong, it's too pretty in here Let's say we take it back to the trap one time

I went from rolling wit' dem rocks on the block To controlling my position at the top Of every chart I will not, stop (We ride, and we roll, man you stop) Yeah we go, yeah we go (hey, hey, hey) (yea you know, yea you know) Girl we nide, man we roll, and you stop, And we go, and we go (go)

In the middle of a fight, I'm so cool Everybody want it hot, I go through All of this half of which would have broke you Came out smelling like a rose even more true Worldwide, bi-coastal, global, nigga's I respect posted Cause I get it don't mean they do too Cause I ain't got a damn minute ain't no 'tude You know we never not goin all in Kickin doors over just to let my dogs in So many rides never catch a nigga walkin' In a G-5 tryna put a bunch of broads in Then we landin' laughin'. chicks with fantastic asses Extravagent habitats, if you never seen tragic happen (hey)

Make magic happen with cash I'm actually catchin magic In the market for lavish mansions 'n NBA expansions I was passin out Phantoms in 04 so no, dough aint shit to me Way past respect you see, but I neva as big as a nigga felt a beat ya see

I went from rolling wit' dem rocks on the block To controlling my position at the top Of every chart I will not, stop (We ride, and we roll, man you stop) Yeah we go, yeah we go (hey, hey, hey) (yea you know, yea you know, yea you know, yea you know, yea you know) Girl we nide, man we roll, and you stop, And we go, and we go (go)

So fly why would I wanna land for Everything you could ask for and more Your choice, you could even be a fan or Hate to see a nigga get a hundred grand more Bein' a motherfuckin' man, won't stand for The rap wars, always goin' back and forth Livin' in a blood killing like cancer But when it rains, then it pours give a damn sure In France, bonjour, merci, oui The same people on tour, on TV They signed him shoulda kept your reciept Get a refund cause you sure can't see me Who keeps CD's on repeat, stuck in MP3's for 3 weeks At the gates on the day I was released The only time you will ever see me free

Big money J, much as you can get for it? Atlantic records say just make another hit for me I tell 'em cut a hundred million dollar check for me Like it or not, don't lose no respect for me Never mind what I did, cause the best commin' I'm the king in a game like chess to me So put the cash in tha bag, Give the rest to the attendant puttin' gas in the jet for a homie friend

I went from rolling wit' dem rocks on the block To controlling my position at the top Of every chart I will not, stop (We ride, and we roll, man you stop) Yeah we go, yeah we go (hey, hey, hey) (yea you know, yea you know) Girl we ride, man we roll, and you stop, And we go, and we go (go)

I got a new swag and it's a new day Here we go again too, what it do 'J? if you recall, i was the one who used to move yay Now I gotta new Audemar with a blue face Hoppin' up in G4 jet no suitcase, whole new wardrobe in a new place Change clothes if a stain on my shoelace T.I. roll like sushi, touché

If the king ain't back, who the hell am I? Bringin' homocide to the gang, no alibi Can't tell a lie to the judge, I'm guilty Your Honor do you mind the guy tried to kill me I could still be, in a trap now AK 'round, little yay 'round 100k downstairs by the trey pound. But if they wonderin who runnin the A now?

(Yea you know, yea you know) Girl we ride, man we roll, and you stop, And we go, and we go (go)

Yeah you know that we ride In control we don't stop We gon blow where we drop Let you know we on top Girl we ride, man we roll, then you stop And we go, and we go Say we roll and we ride In control we don't stop We gon' blow where we drop Let you know we on top Girl we ride, man we roll, then you stop And we go, and we go
