

# I Love You (English Version)

T.Love

I don't care `bout the government  
C  
Or the guards of the president  
I don't care `bout TV faces  
I don't care `bout my hair  
Merchant bankers piss me off  
You're the one I need your love  
I wanna spend my time with you  
Don't wanna waste, don't wanna waste  
People say I'm a drinker  
I was born on New Year's Day  
People say I'm out of tune  
With the face like a plastic spoon  
But I'm a wild heartbroken child  
I want to steal your beating heart  
I'd like to be your lover friend  
I know it, I know it you feel the same  
G C D  
Oh yeah, let me say  
C  
I love you I love you I love you  
Oh yeah, I'm not a rich man  
I love you I love you I love you  
Oh yeah, I'm not a wiseman  
I love you I love you I love you  
Oh yeah, let me say  
I love you I love you I love you  
I wanna live in a positive way  
There's too much violence, too much hate  
My love is like drop in the ocean  
But it swims in the sea of devotion  
But I am the warrior deep inside  
I want your heart in my mouth  
There's too much violence, too much hate  
I love you, I love you, you feel the same  
I don't care `bout government  
Or the guards of president  
I don't care `bout TV faces  
I don't care `bout my hair  
Merchant bankers piss me off  
You're the one I need your love  
I wanna spend my time with you  
Don't wanna waste, don't wanna waste  
Oh yeah, let me say  
I love you I love you I love you  
Oh yeah, I'm not a rich man  
I love you I love you I love you  
Oh yeah, I'm not a wiseman  
I love you I love you I love you  
Oh yeah, let me say  
I love you I love you I love you
