Mad love

T.Love

Mad love she was just like a purle heaven full of snow
I met her on a dirty train
I felt so bad, felt so low then I left my home
I left my friends I was looking for

Mad love, wild love
Mad love, i found you

She was the first person that i met
I met her on a dirty train
She looked at me, looked at me and i looked at her
And then I felt something seep inside – what it was?
what it was? what it was?

Mad love, wild love
Mad love, i found you

We spent a few days in the smalltown hotels
We made love in the smalltown rooms
She gave my her body and i gave her my soul
I lost my mind, 'caus I never knew before

Mad love, wild love
Mad love, i found you
