Hada ni kizamu toiki made
yureru Ū Ū shiruetto Ū Ū derikashii
nusumareta hitomi no oku
kimi wa "nani" o utsusu no?

Until the sighs that carve into skin
Shaking Ū Ū Silhouette Ū Ū Delicacy
"What" is captured inside of
Eyes stolen away from you?

furete Ū Ū mitai no nara
subete Ū Ū ubaisareba ii
'Cause I need to know

Touch Ū Ū if you want to see
It's better Ū Ū if everything's taken from you
'Cause I need to know

furueru karada daite
kodou ga ima Ū Ū kikoeru
mayonaka no taiyou ni nure
boku wa Ū Ū iki o hisometa

Embrace the trembling body
The throbbing is now audible
Drenched in the midnight sun
I lowered my breathing

furete Ū Ū kowareru hodo
ai ga Ū Ū kimi o kaeteyuku
'Cause I need to hold

Touch Ū Ū until it's broken down
Love Ū Ū is changing you
'Cause I need to hold

furete Ū Ū shimaeru nara
subete Ū Ū ushinatte mo ii

Touch Ū Ū if you can finish
It's okay Ū Ū if everything's lost

furete Ū Ū kowareru kara
ai wa Ū Ū boku o kaeteyuku

Touch Ū Ū because it's breaking down
Love Ū Ū it's changing me

subete...
ai ga...

Everything...
Love is...
