

Hollywood

T. Mills

I ain't tryna diss you I just miss you
You wanna be a star huh
Tell me what's the issue or the interview
I'd probably read it
Write a tweet then I delete it
Or song on how you're wrong
But it won't ever get completed
I'll hear it you go n get your club on
Just because the stars come, doesn't mean you are one
I'm attracted to my old news
What happened to the old you
Remember when I told you

You think your so Hollywood
Diamonds and fancy cars
Everyone thinks you're so Hollywood
But they don't really know who you are
No, not like I do
Hollywood you wanna be a big star
Everyone thinks you're so Hollywood
But I'm the only one who knows who you are
You think you're so Hollywood
I know who you are
You think you're so Hollywood
I know who you are

There's no talking to you
You oh so jaded
And I bet when you're fuckin him you have to fake it
You can watch me make it
Regret all the mistakes it
Took for you to realize you're chasing famous
I see it you goin with your love gone
Just because the stars come doesn't mean you are one
I'm attracted to my old news
What happened to the old you
Remember what I told you

You think you're so Hollywood
Diamonds n fancy cars
Everyone thinks you're so Hollywood
But they don't really know who you are
No, not like I do
Hollywood you wanna be a big star
Everyone thinks you're so Hollywood
But I'm the only one who knows you really are
You think you're so Hollywood
I know who you are
You think you're so Hollywood
I know who you are

I know who you are (2x)

You think you're so Hollywood
Diamonds n fancy cars
Everyone thinks you're so Hollywood
But they don't really know who you are

No, not like I do
Hollywood you wanna be a big star
Everyone thinks you're so Hollywood
But I'm the only one who knows you really are
You think you're so Hollywood
I know who you are
You think you're so Hollywood
I know who you are
