Hello, to me
L-o-u-d
Full throttle, turn it up
Loud pack, burn it up
Big faces, earn it
Pockets straight, perm it
Bass knocks, this place rocks
my face numb, my jaw drops
Ratatat, loud pipes
How you like this sound bite
Hey bitch, I'm back at it
(I'm back at it, I'm back at it)
Made a classic, automatic
Never average, get it crackin
We battin no eyelashes
Sunglasses we stay blasted

We only like it if its loud
We only like it if its loud (if its loud)
We only like it if its loud
We only like it if its loud, if its

The volume, the volume, the volume
Pump up the volume

Pump up the volume

Pockets on loud when I walk around
Yeah, they say we got the sound
Yeah, never turn it down
Pump up the volume

We only like it if its loud
We only like it if its loud (if its loud)
We always find a way to turn it up again
Never turn it down, we yellin pump up the volume

Never going home alone but always getting home late
We can get it crackin, iPhone without a phone case
Kush keep callin me
I'm higher than my phone rate
She wanna be my bitch so I'mma show her how this bone tastes

No brakes, need more bass
Now turn it up and we ridin
It ain't my fault they can't pull me over if I can't hear the sirens
I don't even need microphone
Compared to me y'all mimin
Keep my stereo to the max, middle finger up to the silence cuz
