cause you said you aint a rapper you just wanted one to lick  
so we went back to my house  
and we handled all our shit  
you rub my back and scratch my head  
and always have some weed to hit

i'm so happy that you get me  
your so lucky that you met me  
do i love you? definitely  
will i hurt you? i won't let me  
if i do than just forget me  
but what more do you expect me to do? to do  
i would, i would  
i would, i would do anything for you  
i would, i would  
i would, i would do anything for you

im gonna kiss you til i cant no more  
im gonna miss you when your out that door  
im gonna love you til we both stop breathing  
im gonna love you til my heart stops beating  
im gonna kiss you til i cant no more  
your gonna miss me when im out on tour  
im gonna love you til we both stop breathing  
im gonna love you til my heart stops beating

city lights were bright the night i made you mine  
and all im asking for is a little bit of your time  
even if i tried i couldnt get you off my mind  
i swear its all for you in every single line

and i would live out of a suitcase  
for months at a time just to see your face  
and i would wait in the exact same place  
if you promised to come back in a couple of days

i would, i would  
i would, i would do anything, anything for you  
i would, i would  
i would, i would do anything, anything for you
