

Social Intercourse

!T.O.O.H.!

Social intercourse
A warm broth that fills the hungry
Humanly haunted
Destined to puke

Sex of intercourses
Of this human manure
A towel thrown in
Fight is over

Destined to sweat
Squeezed, smashed brains
K.O.! K.O.! K.O.!

Social intercourse
Crowd full of prejudice
Scratching the surface
Just screaming and screaming

Rivalry of tiny figures
Barking and criticizing
Fight of values
Let's cheer up on the way
