

Mix'd Girl

T-Pain

Hey... Yeah

This goes out to the (you know)

Hey, light skinned girl with the curly hair
Don't say you're from Delaware
I can't see it
Oh, I can't believe it
Ok, where your daddy from
Where your momma from
I need to meet dem
And tell your mom to come prove
And I bet she can't do it
But I think I'm in love with all of your features
Can I get a hug, it was so nice to meet ya
You and all of your friends look so exotic
So you go get them and I'm gonna get my partners

We can make it a night to remember, I won't lie to ya baby
You're telling me you're Japanese and I tell you maybe
But you really got sex appeal, so I really gotta keep it real
Shorty, I want my fix, I put you on my list, I want you on my wrist cause

I'm looking for a mixed girl
Asian, Jamaican
I'm looking for a mixed girl
Puerto Rican, Haitian
I'm looking for a mixed girl
Cuban and White
I'm trying to get mixed up tonight like
Excuse me miss, what's your name, where ya from, can I come
I'm looking for a mixed girl
I'm looking for a mixed girl
Excuse me miss

Skinny black girl with the real straight hair
I know it ain't no weave up there
If it is I can't see it
Oh, I can't believe it
OK, where your boyfriend, because I got dividends
Now are you listening or do you even speak English
Oh, I can't believe it
Mama I think I'm in love with all of that slow winding
I'm in the reggae club, she's gotta be from an island
Even all of your friends look so exotic
So she's gonna get them and I'm gonna get my partners

We can make it a night to remember, I won't lie to you baby
You tell me you're from Duvall County and I'm gonna tell you maybe
But you really got sex appeal, so I really gotta keep it real
Shorty, I want my fix, I put you on my list, I want you on my wrist cause
