T-Pain

Yeah, Yeah  
Yeah, Yeah  
Yeah

Growing up wasn't easy for me, for my mama, for my daddy, life just wasn't happy at all.

Started out when I was 8yrs, and it blew up right behind, god just couldn't find me no way

The way I feel, just can't compare  
don't wanna be here, God take me there. Cause now I'm living on the road, going to do show after show, my mind's free and my eyes closed I go back to Ridge Road.

R-I-D to the G to the E-R-O-A-D

Slowing down wasn't even an option, So I chose to speed it up, yes I needed love always, you would hold me down when things got poping, had my back in situation without hesitation 4sho

The way you go, is they way you know, I guess I'll go to the studio  
and even if I'm on the road  
goin to do show after show I go back to Ridgeroad.

Then I'm gone, and you say you miss me, like I never payed attention, never tried to listen to you, but now I'm home and you wanna dis me, sayin I don't have no respect a Leon County reject no way
