And I didn't have to worry about what kind of car I got when I ride (when I ride)

And I didn't have to have twenty-twos, twenty-fours or twenty-sixes (twenty-sixes)

And I didn't have to be forever surrounded by a million bitches (a million bitches)

No matter how bad my life was I still got love no matter how mad my wife was

I can dream; it's a simple thing; I'm building a time machine
