## Valentine

Songs for my valentine Give the game away In rhyme I make mine Sing all that I cannot say I know mine are the tears I never cry I know mine is a love I must deny

We go our separate ways With nothing but a smile Hearts break in many ways Oh how, you've broken mine I know mine are the arms you'll never hold I know mine is a love remains untold

Hey, hey, hey! Sunny valentine Come on shine Your love my way

Songs for my valentine Give the game away Come on, take it away yeah

I know mine are the tears I never cry I know mine is a love I must deny

Hey, hey, hey! Sunny valentine Come on shine, please shine Your love my way

Oh! Come on and shine You've got to shine Please shine My way, my way Oh! Come on now shine You've got to shine Please shine my way It's my turn my way my way

Yeah yeah yeah yeah yeah Oh come on and shine You've got to shine Please shine my way...
