

Country Honey

T. Rex

Take me down to the country honey,
Take me down to the country honey,
In a jeep that's sweet,
In a jeep that's neat,
Take me down to the country honey.

Take me down to the sea-side baby,
Take me down to the sea-side baby,
In a jeep that's neat,
In a jeep that's sweet,
Take me down to the country honey.
