

Down Home Lady

T. Rex

Down Home Lady, Down Home Lady
All I wanna do is be with you tonight
Oooh yeah
Down Home Lady, Down Home Lady
All I wanna do is be with you tonight

When the breeze is cold, I will sing to you
That you're my
Down Home Lady, Down Home Lady
All I wanna do is be with you tonight

When the breeze is cold, I will sing to you
That you're my
Down Home Lady, Down Home Lady
All I wanna do is be with you tonight

(Mmmm, nice one Cyril...)
