

## Dreamy Lady

T. Rex

O dreamy lady  
Won't you come  
To my bed  
Night is the right time  
To get acquainted with my head  
In my bed

Star light is shinning  
Silver baby hold me tight  
Moon beams are twining  
In the portals of my sight  
You're so right

Na, na na na na na na na  
Na na na na na na  
Will you still love me

Oh dreamy lady
