

## Mambo Sun

T. Rex

Beneath the bebop moon  
I want to croon with you  
Beneath the Mambo Sun  
I got to be the one with you.

My life's a shadowless horse  
If I can't get across to you  
In the alligator rain  
My heart's all pain for you.

Girl you're good  
And I've got wild knees for you  
On a mountain range  
I'm Dr. Strange for you.

Upon a savage lake  
Make no mistake I love you  
I got a powder-keg leg  
And my wig's all pooped for you.

With my hat in my hand  
I'm a hungry man for you  
I got stars in my beard  
And I feel real weird for you

Beneath the bebop moon  
I'm howling like a loon for you  
Beneath the Mambo Sun  
I've got to be the one for you.
