

# Planet Queen

T. Rex

The planet queen perchance to dream  
She used my head like an exploder  
The planet queen

The worlds the same I am to blame  
She used my head like a revolver  
The world's the same

Well it's all right  
Love is what she want  
Flying saucer take me away  
Give me your daughter

Well it's all right  
Love is what she want  
Flying saucer take me away  
Give me your daughter

Dragon head machine of lead  
Cadillac king dancer in the midnight  
Dragon head

The planet queen perchance to dream  
She used my head like a revolver  
The world's the same

Well it's all right  
Love is what she want  
Flying saucer take me away  
Give me your daughter

Well it's all right

Flying saucer take me away
