The planet queen perchance to dream She used my head like an exploder The planet queen

The worlds the same I am to blame She used my head like a revolver The world's the same

Well it's all right Love is what she want Flying saucer take me away Give me your daughter

Well it's all right Love is what she want Flying saucer take me away Give me your daughter

Dragon head machine of lead Cadillac king dancer in the midnight Dragon head

The planet queen perchance to dream She used my head like a revolver The world's the same

Well it's all right
Love is what she want
Flying saucer take me away
Give me your daughter

Well it's all right Love is what she want Flying saucer take me away Give me your daughter

The dragon head machine of lead Cadillac king dancer in the midnight Dragon head

The planet queen perchance to dream She used my head like a revolver The planet queen

Well it's all right Love is what she want Flying saucer take me away Give me your daughter

Well it's all right Love is what she want Flying saucer take me away Give me your daughter

Well it's all right
Love is what she want
Flying saucer take me away

Give me your daughter

Give me your daughter Give me your daughter Give me your daughter

. . .
