

## Rock On

T. Rex

I've been down there  
Everybody's been there  
Everyone everyone

Desolation angel  
On the cover of my paper  
Loves everyone everyone

Rock on  
Rock on

Mild mouthed Rita  
She's a Chevy Chase cheetah  
Loves everyone everyone

Teddy's going steady  
He's a silver-plated poet  
Loves everyone loves everyone

Prophet pumped the car-scar  
Deeper only sweeter  
Loves everyone
