

Sure Enough

T. Rex

Sure enough yes indeed everything's going to be fine
Sure enough yes indeed everything's going to be good
Sure enough yes indeed everything's going to be fine
Sure enough everything's going to be good, oh Lord
Sure enough everything's going to be fine
I said, sure enough everything's going to be good, yeah
I said, sure enough everything's going to be fine, yeah
I said, sure enough everything's going to be good
