T. Rex

T . R . E . X.  
Some call me Arnie  
Some name me Slim  
It don't make no difference  
'Cos I move right in  
They call me the groover  
When I'm on the floor  
The kids yell for more, more, more  
Some call me Starkey  
Some named me stud  
Yes they do  
It don't make no difference  
'Cos I move in the mud  
I said sing it to me children  
Yea I'm the groover honey Yea  
I'm the groover honey Yea  
I'm the groover honey  
Well some call me Jeepster  
And some name me lame  
It don't make no difference  
Man you know what it takes  
I'm a groover 'cos I move right in
