Tiger tim, the tightrope walker, Tried to steal, the dragons daughter, Babe, I do mean, babe.

Menace lurks in houses only, Where the hearts are fat and bony, Babe, I do mean babe.

Golden risks and follys rainbow, Down the drain where all the time goes, Babe, I do mean babe.

Frozen joe the ballet boxer, Chromed his toes to get his rocks oh Babe, I do mean babe.

All the rats and all the peacocks, Built a ship and flew to venus, Babe, I do mean babe.

Pain is meat and meat is people, Your head's a house, your soul the steeple, Babe, I do mean babe.

Painted toes and purple earlobes, Life's a gas but it's such a scene though, Babe, I do mean babe.

## Shake

Babe, I do mean babe, I could tell you something, I could tell you something, Babe, I do mean babe.
