

Would I Be The One

T. Rex

Would I be the one to bring back the tears from your eyes now?
Would I be the one?
Would I be the one to bring back the tears from your eyes now?
Would I be the one?

Would I be the one?
Would I be the one?
Would I be the one?
Would I be the one?

Is it what I want to scrape off the juice from your boots now?
Is it what I want?
Is it what I want to be had like a bull by the horns now?
Is it what I want?

Is it what I want?
Is it what I want?
Is it what I want?
Is it what I want?
