

so i'm caught  
so you said  
off to jail  
with a bleeding head  
how's it feel  
with a gun  
overpowered  
watching your blood run

do you mind  
if you break  
hearts and minds  
do you hesitate  
can you love  
if you take  
boy in the streets  
watching mother's hate

so we are anticop and you know

can we live  
can you kill  
caging man  
chasing thrill  
are you good?  
are we bad?  
death in the street  
losing all she had

so we are anticop and you know
