

we're gonna go out tonight  
we're gonna be dangerous  
we're gonna set a house alight  
and see you all

we're gonna go into town  
we're gonna feel good again  
we're gonna do the creepy crawl  
and see you all

all we are now is a life so ordinary  
all we are now is a life so ordinary

i'm gonna bring the gasoline  
we're gonna have a movie scene  
we're gonna set the night ablaze  
and see you all

we're gonna be real big  
we're gonna torch everything  
we're gonna do the creepy crawl  
and see you all

all we are now is a life so ordinary  
all we are now is a life so ordinary
