

## Revenge

T.S.O.L.

I am a sinner  
and I'll be back  
I am a gypsy  
I get what I can  
I've got one thing,  
and I like to call it revenge

I've been rocked,  
you know I've been rolled  
I've been figured out  
and you know I've been told  
I've got one thing,  
and I like to call it revenge  
my best friend,  
I've got one thing,  
I like to call it revenge

Another gun shot they put on the street  
I see the fear in everyone I meet  
they live in L.A.  
too many years  
they see the games  
come and go on people's fears  
for revenge, my best friend,  
revenge, my best friend

too many funerals  
theres too many tears  
your mamas crying  
and you don't even hear  
she live in L.A.  
too many years  
she seen the games  
cause she knows those peoples fears  
for revenge,for revenge

You sit and learn  
children live, let live  
cause diet means dead in the end  
cause in the end  
there is no more revenge,  
in the end  
cause in the end,  
there is no more revenge,  
in the end
