Revenge

I am a sinner and I'll be back I am a gypsy I get what I can I've got one thing, and I like to call it revenge I've been rocked, you know I've been rolled I've been figured out and you know I've been told I've got one thing, and I like to call it revenge my best friend, I've got one thing, I like to call it revenge Another gun shot they put on the street I see the fear in everyone I meet they live in L.A. too many years they see the games come and go on people's fears for revenge, my best friend, revenge, my best friend too many funerals theres too many tears your mamas crying and you don't even hear she live in L.A. too many years she seen the games cause she knows those peoples fears for revenge, for revenge You sit and learn children live, let live cause diet means dead in the end

cause diet means dead in the e cause in the end there is no more revenge, in the end cause in the end, there is no more revenge, in the end T.S.O.L.
