

## World War Iii

T.S.O.L.

Jimmy Carter ran for president again  
You voted for who you want but the government wins  
Its not a question of who can do the job  
Its just a matter of how much money you have

In the world war three  
World war three  
Where do I stand in this form of power  
Where do I fit in this government  
I find no choice  
Third world war  
And your the victims  
Third world war  
And your the victims

If I don't register I have to pay  
I refuse to go theres no fucking way  
The systems looking for a drastic change  
Don't look at me cause I'm out of your range

Don't go  
Don't go  
Don't go  
Don't go

I wont go  
I wont go  
I wont go  
I wont go

Don't go  
Don't go  
Don't go  
Don't go

I wont go  
I wont go  
I wont go  
I wont go

Don't go
