

# If I Could Turn Back Time

T-Spoon

If I Could Turn Back Time Again  
I Would Be More Than Just A Friend  
It Seems Like We're Meant To Be  
I Wonder Where Is The Key?

You Are More Than Just A Friend  
That's All That I Want You To Know  
For You I'd Walk A Thousand Miles  
Through Deserts And Mountainhigh Snow

Since The Day I Met You  
I Just Know I Didn't Feel The Same  
You're The One I Adore  
Can't You Hear Me Calling Your Name

If I Could Turn Back Time - If I Could Turn Back Time Again  
I Wish You Will Be Mine - I Would Be More Than Just A Friend  
I Even Can't Describe - It Seems Like We're Meant To Be  
What I Feel Deep Inside - I Wonder Where Is The Key?  
If I Could Turn Back Time - If I Could Turn Back Time Again  
There's Someone Always Fine - I Would Be More Than Just A Friend  
You Know You've Changed My Life - It Seems Like We're Meant To Be  
I Wanna Be Your Wife - I Wonder Where Is The Key?

I Was Lying To Myself  
You Found Someone Else Far Away  
But I Believe In Miracles  
Maybe I'll Get You One Day

Nothing Is Like It Seems  
It Is More Than A Simple Game  
Let Me Feel I'm The One  
Can't You Hear Me Calling Your Name

If I Could Turn Back Time - If I Could Turn Back Time Again  
I Wish You Will Be Mine - I Would Be More Than Just A Friend  
I Even Can't Describe - It Seems Like We're Meant To Be  
What I Feel Deep Inside - I Wonder Where Is The Key?  
If I Could Turn Back Time - If I Could Turn Back Time Again  
There's Someone Always Fine - I Would Be More Than Just A Friend  
You Know You've Changed My Life - It Seems Like We're Meant To Be  
I Wanna Be Your Wife - I Wonder Where Is The Key?

If I Could Turn Back Time Again  
I Would Be More Than Just A Friend  
It Seems Like We Were Meant To Be  
I Wonder Where Is The Key

Since The Day I Met You  
I Just Know I Didn't Feel The Same  
You're The One I Adore  
Can't You Hear Me Calling Your Name
