

Make It Funky

T-Spoon

Make it funky tonight
Move your body, let's party and dance the night away
Make it funky tonight
Move your body, let's party and dance the night away
Make it funky, make it funky

Now I've got your attention
I got to let you know, got to mention
I've got something for all, yeah all
Check it, now get the flowers of the wall

And don't be ashamed, 'cause is party your name
To go sixteen and I said, "Know my claim"
In the name of the bomb that I'm dropping
To keep my party rocking

Can I get a hey? Hey
Can I get a hoo, hoo
Knock, knock, there we go on the back door
Looking for the freak show, it's right hear yo

And I'm the one to serve up the big fun
And won't stop till it's done
To all my peeps in the place to be
Let's make it funky

Make it funky tonight
Move your body, let's party and dance the night away
Make it funky tonight
Move your body, let's party and dance the night away

We feel so strong, dance all night long
With the peeps in the streets
We feel so strong, dance all night long
With the peeps in the streets

Like Janet, we go deep, baby real deep
And it's a fact that you will get no sleep
From Detroit to the west and back to the east coast
I'm gonna make sure you're gonna get the utmost

Ain't nothing but a barman's good time
Huh, guaranteed to blow your mind
Won't hurt unless you can't dance
And if you can't dance then you won't stand a chance

I'm like a boat with a whole that's sinking
And the funk that I brink is stinking
My brother Billy D said to me
"You'd better take some rimes to make it real funky"

I took the F to the U to the N K Y
And it's me coming through
Yeah, you know me as the G and make it funky

Make it funky tonight
Move your body, let's party and dance the night away

Make it funky tonight
Move your body, let's party and dance the night away

We feel so strong, dance all night long
With the peeps in the streets
We feel so strong, dance all night long
With the peeps in the streets

Na na na na, na na na na, na na na na na na
Na na na na, na na na na, na na na na na na
Na na na na, na na na na, na na na na na na
Na na na na, na na na na, na na na na na na

Knock knock, there we go on the back door
Looking for the freakshow, it's right hear yo
Can I get a hey? Hey
Can I get a ho? No

And I'm the one to serve up the big fun
And won't stop till it's done
To all my peeps in the place to be
Let's make it funky

Na na na na, make it funky
Na na na na, make it funky tonight
Na na na na, yeah make it funky
Na na na na, let's dance the night away

Make it funky tonight
Move your body, let's party and dance the night away
Make it funky tonight
Move your body, let's party and dance the night away

We feel so strong, dance all night long
With the peeps in the streets
We feel so strong, dance all night long
With the peeps in the streets
