

Rain In June

T-Spoon

If This Could Be
Then Who Is He
And Who Am I
Darkness

Keekaboo, Keekaboo, Don't Let Nobody See You
Every Little Kitty Gonna Give You Something New
Hands In The Air, Show Me You Care
Loved Your Flair, So I'll Be There
What You Wanna Do, What You Wanna Do, What You Wanna Do
Open Up Your Eyes, Gonna Play Peekaboo

T-Spoon...

I Said
Sham Rock

Peace To Yo I Don't Wanna Let It Go
But I Gotta Let It Go Cause You Know I Gotta Show
Old To The New Better Yet Another School
And I'm Gonna Get It Back With My Profalactactics
Are The Key If You Wanna Know I See
What Is He When You Be All Up In The Land Of Cream
And Honey I Wanna Break It To You Sunny It's Funny
I Work Hard For The Money

Righteous Water Flows
Inhale

Oh, What About Me, Oh, What About Me
I Like Rain In June, Tomorrow Ain't To Soon
When You Walk Away, Baby I Won't Say
I Like Rain In June, Tomorrow Ain't To Soon
When You Walk Away Baby I Won't Say
Baby I Won't Say, Baby I Won't Say

She's Floating On A Lexicon Of Life
Looking For Her Baby

Can't Understand Why the Rock Don't Stop
And The People On the Block Say All On My Jock
Hey I Want You Oh I Told You
I'm The Type Of Man That You Have To Grab Ahold
String Me Along With A Rap And A Song
If I'm Up Then I'm Gone Gotta Find My Way Home
Turn Me In Turn Me Baby Don't You Burn
Ease Your Mind Still I Yearn

Oh, What About Me, Oh, What About Me
I Like Rain In June, Tomorrow Ain't To Soon
When You Walk Away, Baby I Won't Say
I Like Rain In June, Tomorrow Ain't To Soon
When You Walk Away Baby I Won't Say
Baby I Won't Say, Baby I Won't Say

She's Floating On A Lexicon Of Life

Looking For Her Baby

You Tell Me, Lean, Lean On Me

You Tell Me, Lean, Lean On Me

Baby I Won't Say

Baby I Won't Say
