

## See The Light

T-Spoon

Joy... Life... Pain...  
Red... Green... Blue...  
I'll Take You...

Woke Up In The Morning, You Were Next To Me  
Saw You Like A Dream, You Were Fading  
I've Never Said The Words Although My Heart Was True  
I Looked Into The Mirror, It Was You

Going Through The Tunnel, Can You See The Light  
Can You See The Light, Can You See The Light  
Knowing Something's Better On The Other Side  
Makes You Feel Alright, Makes You Feel Alright - Feel Alright

Going Through The Tunnel, Can You See The Light  
Wishing On Tomorrow, Let It Shine So Bright  
Come On Baby, Let Me Take You There  
Living In The Shadow Of A Love That Isn't There

Joy... Life... Pain...  
Red... Green... Blue...  
I'll Take You...

Bridge (by Linda Estelle):  
Going Through The Tunnel  
I Can See The Light  
Now There's Someone Waiting  
On The Other Side  
Never Mind Your Sorrow  
Take Away The Fear  
Send Me To Tomorrow  
Take Me Away From Here

Makes You Feel Alright

Can You See The Light, Can You See The Light

Makes You Feel Alright, Makes You Feel Alright - Makes You Feel  
Alright
