

# Summer Love

T-Spoon

Woh, eh, oh, weh, oh  
It's only summer love  
Woh, eh, oh, weh, oh  
Summer love

Baby, don't go crazy  
I know you're gonna miss me  
But it's only summer love  
Baby, we're together  
It cannot last forever  
'Cause it's only summer love

So tell me why you start to cry  
When I take you to the airport  
And I kiss you sweet goodbye  
You've got to know I told you so  
This summer loving feeling  
Will break your heart and soul

Woh, eh, oh, weh, oh  
It's only summer love  
Woh, eh, oh, weh, oh  
Summer love

Woh, eh, oh, weh, oh  
It's only summer love  
This summer loving feeling  
Will break your heart and soul

Don't wanna hear your lies  
You've got to show me paradise  
Dancing on the beach  
And having fun

When the sun is burning hot  
And you think no matter what  
They're lying sweating in the sun  
My summer love

Baby, don't go crazy  
I know you're gonna miss me  
But it's only summer love  
Baby, we're together  
It cannot last forever  
'Cause it's only summer love

So tell my why you start to cry  
When I take you to the airport  
And I kiss you sweet goodbye  
You've got to know I told you so  
This summer loving feeling  
Will break your heart and soul

Woh, eh, oh, weh, oh  
Woh, eh, oh, weh, oh  
Woh, eh, oh, weh, oh  
It's only summer love

This summer loving feeling  
Will break your heart and soul

Autumn leaves they start to fall  
The winter is oh so cold  
Deep inside I feel the spring  
Can't wait till summertime

On the beach baby  
You are mine  
Oh, how I miss my summer love  
My summer love

Baby, don't go crazy  
I know you're gonna miss me  
But it's only summer love  
Baby, we're together  
It cannot last forever  
'Cause it's only summer love

So tell me why you start to cry  
When I take you to the airport  
And I kiss you sweet goodbye  
You've got to know I told you so  
This summer loving feeling  
Will break your heart and soul

Woh, eh, oh, weh, oh  
It's only summer love  
Woh, eh, oh, weh, oh  
Summer love

Woh, eh, oh, weh, oh  
It's only summer love  
This summer loving feeling  
Will break your heart and soul
