

# No Sleep 'Till Summertime

T-Squad

Summertime and the livin is easy  
The summer's here yeah you gotta believe me  
I'll ride the wave to wherever it leads me  
Where the sun shines bright and the wind blows breezy  
No sleep til summertime

[boys]  
In the summertime all is rad  
You know just what i mean  
Girls look fly passing by  
It's a beautiful scene  
Toes in the sand, hand in hand  
Everything unplanned  
Same time same place  
Soaking the sunrays  
Don't you forget my face

[girl]  
In the summertime it's all good  
You know just what i mean  
The boys look fly, they catch your eye  
It's a beautiful scene  
Justin on the radio, party on the patio  
Ready here we go  
Same time same place  
Soaking the sunrays  
Big smile on my face

[chorus:]  
There'll be no sleep til summertime oh yeah  
(aw come on come on)  
Waiting for it all through the year  
(flip floppin halter top rockin)  
There'll no sleep til summertime  
(t squad pop lockin)

Til the sum sum summertime's here  
(uh)

[boys & girls]  
Soda pop ,old school hiphop  
Dancing till we drop  
Send me a text whassup next  
Lying in the sun  
Monkey in the middle, when we were little  
We knew how to have some fun  
Same time same place  
Soakin the sun rays  
Can't let it go to waste

[chorus:]  
There'll be no sleep til summertime oh yeah  
(aw come on come on)

Waiting for it all through the year  
(flip floppin halter top rockin)  
There'll no sleep til summertime  
(t squad pop lockin)  
Waitin til the summer is here  
(yeah)  
No sleep til the summertime's here  
(uh yeah)  
Til the sum sum summertime's here  
(uh)  
No sleep til the sum sum sumertime's here

Reason one that summer rules  
We don't have to go to school  
From the beach to the pool  
Looking hot and keeping cool  
Open toes t's and vans  
Working on the perfect tan  
Instant message what's the plan  
Parents just don't understand  
Hot dogs beach parties  
Checking out the superhotties  
Volleyball and catching rays  
Now it's time to hit the waves  
At the mall window shopping  
Dreaming up a look that's poppin  
Summertime jams droppin  
Summertime is never stopping

[chorus:]

There'll be no sleep til summertime oh yeah  
(aw come on come on)  
Waiting for it all through the year  
(flip floppin halter top rockin)  
There'll no sleep til summertime  
(t squad pop lockin)  
Waitin til the summer is here  
(yeah)  
No sleep til the summertime's here  
(uh yeah)  
Til the sum sum summertime's here  
(uh)  
No sleep til the sum sum sumertime's here  
Nah nah nah nah
