

Nice And Warm

Tab Benoit

I can't wait to get back home
Where the sun is always nice and warm
I can't wait to get back home
Where the sun is always nice and warm

You know, it's freezin' out here
And the howlin' wind sends a nasty chill
Through my bones

Oh, you know I
I shivered myself to sleep last night
But the cold won't let me be
That's when I woke up I realized that
This ain't no place for me, no
And I can't, I can't wait to get back home
Where the sun is always nice and warm

You know, it's freezin' out here
And the howlin' wind sends a nasty chill
Through my bones

You know, some good old friends got together
And they took me away
From this old alley
To a warm place I could stay
Oh, I can't wait to get back home
Where the sun is always nice and warm

I'm so happy to be with you all
And that old nasty chill is gone
