

# Here Comes Horses

Tabitha's Secret

Help me to remember girl if you don't mind  
Well I feel just like the jester when the music died  
Haven't seen you lately  
But I know that nothing's changed

Feeling kinda shaky but the wounds have healed  
There's a crack there in the doorway where the walls have peeled  
And I still see the sun go down  
On a clear day

Here comes horses, there goes the rain  
Here goes nothing, here it comes again

I was thinking I was angry but I'll let it go  
I was waiting on a miracle but nothing showed  
And they say our new messiah  
Is at the local bar

Greetings from the home front have you heard the news  
That daddy bet his paycheck on the horses shoes  
And we won't feel that way  
For a long, long time

Sitting in a taxi at the evenings end  
I was trying to remember where it was I'd been and  
Whether I've got someplace else to be

I ask you why you come here you say just because  
I guess I could do without it if I knew what it was well  
It really doesn't matter  
When you look at me that way
