

I'm on a mission from God
We're on a mission
On a mission from God
We're on a mission
On a mission from God
We're on a mission
On a mission from God!
We're on a mission from God!

I'm on a mission from God
To bring before your eyes
To teach a lesson in hate
About your world of lies

On a mission from God
To get your gold
Because the army and the Kremlin is
Out of control

I'm on a mission from God
So pledge your sword
To hold your hostel in strength
So do what you're told!

On a mission from God
There's nothing more (to be) said
Unless conditions are met
Your children are dead!

Dead!
Dead!
Dead!
