

Dance of the Damned

Tad Morose

It dwells deep within
Where shadows are born
Where darkness hiding sins
Never dusk, never dawn

I see no light
Weak silhouettes
Dance on the wall
Forever no end

The dance of the damned!

Unholy spirits
Imaginary begins
Progeny of twisted dreams
Nothing's what it seems

I see no light
Weak silhouettes
Dance on the wall
Forever no end

The dance of the damned!

Forever and ever
Never ending dark
Eternal nocturnal
Never ending dark

I see no light
Weak silhouettes
Dance on the wall
Forever no end

The dance of the damned!

Forever and ever
Never ending dark
Eternal nocturnal
Never ending dark
