Eyes So Tired

Tad Morose

Hear the rainbow calling and I will rise in you to see right th rough to be in you In the middle of a solitude

Find the treasures archway and reach the secret stones to hold on to and make it through on the edges of a paradigm

Find a way to see the days with eyes so tired of biased ways Serve the moment of absent fate

Fear of pain and sorrow will reign inside of you and lead you t hrough the inner you in the center of a universe
