

# Save Me

Tad Morose

I see a light shining through a window  
I wonder who has passed away I see myself on top of a mountain  
And someone is calling my name

Please God don't take me I've got so much more to live for  
Can someone save me I cannot believe I'm dying

Hear my prayers is it words without meaning  
Don't turn away don't leave me alone  
Will I be here when tomorrow comes or is it too late to say good  
bye

Lights fading out and my life is passing by and someone whisper  
s the words,  
come closer I'm leaving time there's no turning back I'm stuck  
between life and death
