

Sender Of Thoughts

Tad Morose

Souls are lost down in the valley of shadows
Come meet me where the crimson sky is bending and we'll try to
reach the new horizon

Give me your soul and I'll give you life fortune and pleasure
Ask me no questions and I'll tell you no lies
Keep your eyes upon the sky and you'll see my vision
At the final steps of life

I sender of thoughts bringer of life
I sender of thoughts give you more than you know
Now take my hand and come with me
Don't fear the evil you feel inside it's there forever
Believe me I'm the devil in disguise
