

# Voices Are Calling

Tad Morose

Say can you hear me  
Can you see me  
I'm all alone with no place to go  
I've got no answers  
To all my questions  
It's all the same  
They fill my head with lies  
I've got no feelings  
I can't go on  
Living on the edge  
Got no reason  
To stay alive  
When all they say  
Is pull the trigger

Life's got no meaning  
It's all over now  
It's time to go  
And leave the past behind  
I can't control it  
My soul is lost  
My heart can't take no more  
I feel the fire  
That burns so deep inside  
No one can save me lost forever  
There'll come a time  
When I'm forgiven  
It's over now  
But I'll always be with you

Can you hear the voices callings  
They surround you like stars in heaven  
Ain't no lie that can't be spoken  
Can't believe but I can't deny it  
I've got no feelings left to hide

It's not so easy  
To make this hard decisions  
I've tried so hard  
To wash my thoughts away  
But all they say is pull the trigger
