Keep Going

Two lives, two hearts, two souls who never part We said, we would for life and that's why Tonight I don't fear the end of the road 'cause I

I keep going, keep going I keep going till we've run out of road I keep going, keep going, yeah I keep going till we've run out of road

I just wanna love you forever So I keep going, keep going Till we've run out of road, yeah

We lose, we win, we fall to get up again We said, we'd love for life that's why tonight I don't fear the end of the road 'cause I

I keep going, keep going I keep going till we've run out of road I keep going, keep going, yeah I keep going till we've run out of road

I just wanna love you forever So I keep going, keep going Till we've run out of road

I said I love you and that's forever I'm sure that we will survive

So I'll keep going, keep going Keep going till we've run out of road Keep going, keep going, yeah I keep going till we've run out of road

'Cause I just wanna love you forever And I just wanna love you forever

So I keep going, keep going I keep going till we've run out of road I keep going, keep going, yeah I keep going till we've run out of road

'Cause I just wanna love you forever And I just wanna love you forever, yeah
