

# Make It Last Forever

Taio Cruz

Wake  
Me, I'm dreaming  
Is my heart still beating  
Cause this life has never felt so good  
So hot, she's steaming  
With no rhyme, or reason  
Sexy has never looked so good

Right here, right now  
This look on your face  
I don't want it to fade  
So strong I know  
This just won't break  
Like a diamond

Let's let this feeling go on,  
And on, and on, and on  
Going on, and on, and on  
Let's let this feeling go on,  
And on, and on, and on  
Going on, and on, and on

Make it last forever

Oh oh oh oh oh  
Oh oh oh oh oh  
Make it last forever  
Oh oh oh oh oh  
Oh oh oh oh oh  
Make it last forever

Oh oh oh oh oh  
Oh oh oh oh oh  
Make it last forever  
Oh oh oh oh oh  
Oh oh oh oh oh  
Make it last forever

Last night we rocked them  
Tonight we poppin'  
Tomorrow do it all again  
This life we living, is just the beginning  
Hell yeah, you know there's more to come  
Right here, right now  
This look on your face  
I don't want it to fade  
So strong I know  
This just won't break  
Like a diamond

Let's let this feeling go on,  
And on, and on, and on  
Going on, and on, and on  
Let's let this feeling go on,  
And on, and on, and on  
Going on, and on, and on

Make it last forever
