

# No Other One

Taio Cruz

I don't need to ever exchange (You know I)  
I don't need to ever replace (You know I)  
I'm not going any damn place (You know I)  
You should know that I-I-I  
Oh, I...

I don't need no other one  
I don't need no other one, I do-on't  
I don't need no other one  
I don't need no other one, all I need is you  
All I need is you

Baby can't you see, baby can't you see  
You're the one I need, only one I need  
And I can't believe, no I can't believe  
You would ever think, I would ever leave

I'm staying here, I ain't goin' nowhere  
You should know I, I, I

I don't need to ever exchange (You know I)  
I don't need to ever replace (You know I)  
I'm not going any damn place (You know I)  
You should know that I-I-I  
Oh, I...

I don't need no other one  
I don't need no other one, I do-on't  
I don't need no other one  
I don't need no other one, all I need is you  
All I need is you

Baby one more thing, baby one more thing  
You should hold this ring, you should hold this ring  
Cos it means my heart, cos it means my heart  
It will never part, it will never part

I'm staying here, I ain't goin' nowhere  
You should know I, I, I

I don't need to ever exchange (You know I)  
I don't need to ever replace (You know I)  
I'm not going any damn place (You know I)  
You should know that I-I-I  
Oh, I...

I don't need no other one  
I don't need no other one, I do-on't  
I don't need no other one  
I don't need no other one, all I need is you  
All I need is you

I don't need change, now remember that's funny  
Can't you see the time, who's got money  
Money, cash I'll leave 'em a tip  
On a ten dollar meal, no change for my honey  
Rockstar shades keep me lookin' so stunnin'

Stunnin', that's how it looks when we  
Be hand in hand and walk in the streets  
And nobody else can match our flavour  
How would you think I was ever gon' change ya  
I ain't never gonna change ya

I don't need to ever exchange (You know I)  
I don't need to ever replace (You know I)  
I'm not going any damn place (You know I)  
You should know that I-I-I  
Oh, I...

I don't need no other one  
I don't need no other one, I do-on't  
I don't need no other one  
I don't need no other one, all I need is you  
Oh oh oh  
Oh oh oh  
Oh oh oh  
Oh oh, all I need is you

I don't need to ever exchange (You know I)  
I don't need to ever replace (You know I)  
I'm not going any damn place (You know I)  
You should know that I-I-I  
Oh, I...

I don't need no other one  
I don't need no other one, I do-on't  
I don't need no other one  
I don't need no other one, all I need is you  
All I need is you
