You know the rule of the game  
More money, more leeches  
And they'll rob you like the Pharaohs in Egypt  
But these boys all paraplegic  
'Cause they don't know Pit is very prestigious  
Me and this woman have telekinesis  
Such as look and they go, look and they move, look and they shake  
Look At The features, Beautiful Creatures  
And make love to 'em on beautiful beaches  
Ready for the world but the world ain't ready for me  
Patience is as a virtue, wait and see  
Don't believe? My baby es pa darte cosquillitas en tu kiki

Don't act like you don't know what I'm talkin' about  
And your friends, who cares what they're talkin' about  
She can play, go leave her with a little bit of Voli  
She gonna let me score for sure, dale
